Profile

I am an enthusiastic, self-motivated, reliable, responsible and hard working person. Adaptable to all challenging situations. I have the ability to work under stress and keep within set budgets and targets. I can organize and prioritize my own workload effectively.

Education

- 2008 MBA in Computer Science
Boğaziçi Univ., Istanbul - TR
- 2004 Geophysics Engineering
Istanbul Univ., Istanbul - TR
- 1996 State Conservatory, Istanbul - TR
- 1994 College, A. Simsek, Istanbul - TR

Experience

FULL STACK DEVELOPER, Digital Vision, 2016-2022

Developed full-stack web applications which processed, analyzed, and rendered data. Liaised with designers, frontend developers, QA testers, and CTOs.

Managed time-sensitive updates, including content and database updates. Planned, coded and debugged web applications and software with complete accuracy.

BACKEND DEVELOPER, Maestro Group, 2010-2015

Head of software development and new business.

Managed cross-platform application designs and development projects, with budgets and department productivity. Had effective key role in strategy and succession for department and company.
